DRAWER FRONT OPTIONS

Aspect door styles are available in American Poplar, Maple, Oak or Painted finishes and as traditional or full overlay. Door styles are available with a traditional slab style drawer front with matching door edge profiles, shaped slab drawer fronts or matching five-piece drawer fronts. The Sculpted, Square Raised and Oxford Panel shaped drawer fronts feature a more decorative profile that will not match the door edge profiles exactly. For an appearance similar to the door style, choose the matching five-piece drawer front with matching edge profile.
